

VIVIAN HOFFMANN

5216 Richcraft Hall, Carleton University, Ottawa, ON K1S 5B6, v.hoffmann@cgiar.org,
VivianHoffmann@cunet.carleton.ca

EXPERIENCE

Associate Professor, Department of Economics and School of Public Policy and Administration, Carleton University, 2023-

Senior Research Fellow, International Food Policy Research Institute, 2020-

Research Fellow, International Food Policy Research Institute, 2013-2020

Associate Editor, American Journal of Agricultural Economics, 2018-2021

Assistant Professor, Agricultural and Resource Economics, University of Maryland, 2008-2013

EDUCATION

Ph.D., Applied Economics, Cornell University, 2008

B.A., Geography, University of British Columbia, 2001

PEER-REVIEWED PUBLICATIONS

TEACHING

Carleton University: ECON 5065 Selected Topics in Economic Policy for the Environment and Food Systems, ECON 5060 Economic Analysis of Public Policy, PADM 6011 Theoretical Foundations of Public Policy

University of Maryland: Graduate Development Microeconomics; Undergraduate Honors Seminar on Evaluating Global Development Assistance; Agricultural Development, Population Growth and the Environment (upper-level undergraduate)

Cornell University Applied Economics Math Camp (for incoming PhD students)

GRADUATE STUDENT PLACEMENTS (MAJOR ADVISEES)

Sean Sylvia, PhD (2014), initial placement: Renmin University of China; current position: Associate Professor, Department of Health Policy and Management, Gillings School of Global Public Health, University of North Carolina, Chapel Hill

Ashwini Sebastian, PhD (2014), initial placement: Food and Agriculture Organization; current position: World Bank Young Professionals Program; current position: Agriculture Economist, World Bank

Romina Ordoñez, PhD (2016), initial placement: Economist, IDB Invest (private sector arm of the Inter-American Development Bank Group)

RESEARCH FUNDING AND LEADERSHIP

Canada Impact+ Research Training Award: The Price of Lead: Economic Costs of Drinking Water Contamination, 2026-2030. Nominator of PhD student Recipient. \$120,000 CDN.

The Canadian Soil Data Portal - Transforming Canada's Soil Data Infrastructure to Facilitate GHG Reductions and Climate Change Mitigation, 2024-2029. Co-Investigator. \$269,700 CDN (Carleton share)

Insight Development Grant: Building and activating social norms through personal climate emissions feedback, 2024-2026. Principal Investigator. \$71,550 CDN.

REALISE Seed Grant: Identifying challenges and opportunities in the insects as food and feed sector in Canada, 2023-2024. Co-Director. \$12,000 CDN.

Co-lead, One Health for Human Health Initiative, CGIAR Trust Fund. \$14,967,058 USD, 2022-2024

Connecting smallholder farmers to premium groundnut markets and aflatoxin-mitigating technologies through innovative aggregator contracts, 2019-2022. Co-Investigator. Peanut Innovation Lab, University of Georgia, \$122,050

Increasing coffee production and smallholder farmer incomes: Impact evaluation, 2017-2023. Co-Principal Investigator. Stifting Coffee Agronomy Training, \$3,047,203

Integrating value chains to improve food safety and increase smallholder incomes in Kenya, 2016-2017. Principal Investigator. Agricultural Technology Adoption Initiative (ATAI), \$49,465.

Sustaining food supplies and improving health: Integration of small farmers into modern value chains with food safety standards in Kenya, 2016-2019. Co-Principal Investigator. NWO-WOTRO Science for Global Development, \$251,630.

Aflatoxin and Child Stunting Links, 2012-2017. Principal Investigator. UK Department for International Development (DFID), £1,179,019.

Measuring and mitigating the risk of mycotoxins for poor milk and maize producers and consumers in Kenya, 2012-2016. Co-Principal Investigator. Finland Ministry of Foreign Affairs, €661,802.

Poverty and Empowerment Impacts of the Bihar Rural Livelihoods Project. Co-Principal Investigator. International Initiative for Impact Evaluation, 2011-2016, \$541,000

Menstrual Management and Sanitation Systems, 2011-2014. Principal Investigator. Bill and Melinda Gates Foundation, \$1,299,704

Food safety and the role of information in Kenyan maize markets, 2011. Co-Principal Investigator. University of Maryland ADVANCE Seed Grant Program, 2011, \$20,000

Reducing HIV Stigma in India: Measuring the Effectiveness of Various Interventions, 2009-2010. Principal Investigator. Maryland Population Research Center, \$15,000

Chlorine Dispensers: Scaling for Results, 2009-2013. Co-Investigator. International Initiative for Impact Evaluation, 2009-2013, \$370,150

Ethnicity, Institutions, and the Provision of Public Goods, 2008-2010. Co-Principal Investigator. Japanese International Cooperation Research Institute, \$200,000

CONFERENCES AND SEMINARS ORGANIZED

[Canadian Resource and Environmental Economics Association Annual Conference](#), October 13-15, 2023.

CGIAR International Year of Plant Health Webinar Series: [Unleashing the Potential of Plant Health: A One Health Approach](#), March 31, 2021

Catalyzing the use of aflatoxin control technologies in Kenya and Ghana: Research findings and opportunities for action, Nairobi and Accra (via video link), November 26, 2019

PRESENTATIONS

2025: Behavior, Energy & Climate Change Conference, Sacramento CA, November 4 (poster). First Annual Research Conference on Global Lead Exposure, Center for Global Development. Washington, D.C. June; International Association for Food Protection Annual Meeting, Cleveland, OH, July 29.

2024: FAO Community of Practice on the Progressive Management Pathway for Terrestrial Animal Biosecurity online seminar series, October 23. World One Health Congress, Cape Town, South Africa. September 19.

2022: University of Toronto Hospital for Sick Children, Centre for Global Child Health, March 16. Carleton University, April 22; Agricultural & Applied Economics Association annual meeting, Anaheim, CA, August 1 & 2.

2021: One Health for Plant Health, CGIAR International Year of Plant Health Webinar Series, March 31; Food Safety Innovation Lab Webinar: Behavioral Drivers of Food Safety, April 27; Panelist, #IFADiNNovationTalk, Digital agriculture and the rural poor: Challenges and opportunities in delivering results, May 5; Global Nutrition Coordination Plan (GNCP) Mycotoxins Webinar, May 21; Department of Economics, University of Ottawa, October 22; Nutrition for Growth (N4G) Summit side event, Food Safety: A Foundation for Nutrition and Growth, December 6, 2022.

2020: Panelist, Food Safety in informal markets. EatSafe – Evidence and Action toward Safe, Nutritious Food. Global Alliance for Improved Nutrition, Webinar, August 19, 2020; Evidence for Policy, Advocacy and Partnerships: Food safety - tracking national and county budgets for accountability. Voice for Change Partnership Webinar 8th July 2020.

2019: First International Food Safety Conference, Kenyatta University, Nairobi, May 20-24, 2019; Government of Kenya Food Safety Coordinating Workshop, Naivasha, Kenya, November 12; Horticulture Round Table on Food Safety, Nairobi, Kenya, November 5.

2018: International Livestock Research Institute, Nairobi, Kenya; International Conference of Agricultural Economists, Vancouver, Canada; Applied and Agricultural Economics Association annual meeting, Washington, D.C.

2017: World Bank Development Research Group; Gordon Research Conference on Mycotoxins & Phycotoxins, Easton MA; The First Africa-wide Postharvest Food Loss Reduction Conference and Exhibition, Nairobi, Kenya

2016: Global Center for Food Systems Innovation, Michigan State University; Workshop on Engaging the Health and Nutrition Sectors in Aflatoxin Control in Africa, Addis Ababa, Ethiopia; Peanut Mycotoxin Innovation Lab Annual Research Meeting, Tamale, Ghana

2015: First International Congress on Postharvest Loss, Rome, Italy

2014: American University Economics, Michigan State University Agricultural Economics

2013: University of Wisconsin, Applied and Agricultural Economics Association Annual Meeting, University of Virginia Environment and Development Conference, International Food Policy Research Institute, Celebrating Womanhood: Menstrual Hygiene Management (WSSCC)

2012: Northeastern Universities Development Economics Consortium Conference, International food Policy Research Institute, American University School of Public Affairs, World Bank Poverty and Applied Micro Seminar Series

2011: International Food Policy Research Institute

2010: University of California, Davis

2009: World Bank South Asia Region Workshop on Impact Evaluation of Agriculture and Rural Livelihoods, Northeast Agricultural and Resource Economics Association Annual Meeting

2008: Lafayette College, Carleton University, Simon Fraser University, Center for Global Development, University of Maryland, Resources for the Future, Duke University, University of South Carolina, Loyola University Chicago

2007: Northeastern Universities Development Consortium Conference, Economic Science Association North American Meetings, American Agricultural Economics Association Annual Meeting, The Future of Food: A Multidisciplinary Graduate Research Conference (Tufts University)

2006: Mbarara University of Science and Technology, Uganda
